List Price: \$99.99

Optional User Harness

Part#: TBCUSHARN-P
List Price: \$29.99

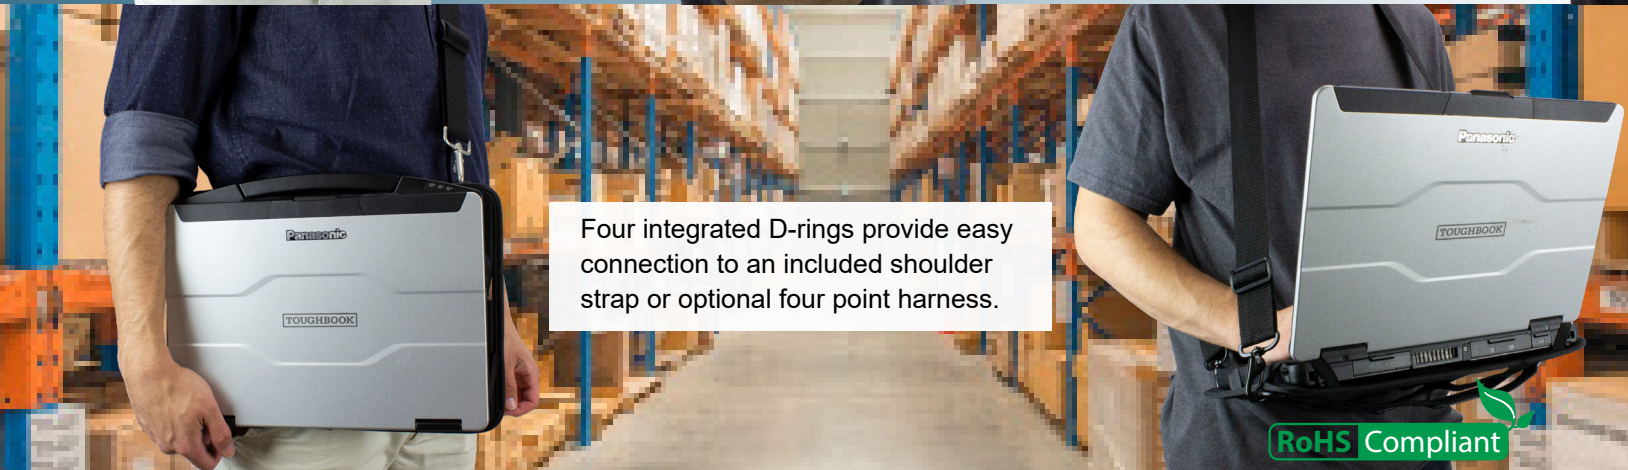

ModuFlex design is easy to install and remove

Forearm straps facilitate either hand, in either landscape or portrait orientation, providing ergonomics, comfort, and security.

Minimizes additional size and bulk to an already rugged device

Four integrated D-rings provide easy connection to an included shoulder strap or optional four point harness.

RoHS Compliant
