

DuraStrap Hand Strap for Getac ZX70

User Guide

For use exclusively with the Getac ZX70
handheld device

Introduction

The DuraStrap Hand Strap compliments your Getac ZX70 and provides a comfortable means to use your device. This hand strap connects securely to the retention points of the device, providing a slim and durable mobile solution. Please read the entire instruction booklet before beginning to ensure proper installation.

Features

1. Getac ZX70
2. Hand Strap
3. Hand Pad
4. Cam Buckle

Installation

1

Insert the hand strap (2) through the hand pad (3) in one slot, cam buckle (4) facing down. Continue to insert strap (2) through the device (1) slot as shown.

2

Slide the hand strap (2) back through the same slot of the hand pad (3).

3

The strap (2) then goes through the other slot of the hand pad (3), and then through the other device (1) slot.

4

Feed the strap (2) back through the pad slot (3) and the cam buckle (4) to adjust for a comfortable fit.

Tips for Use

- The length of the strap can be adjusted to fit your hand size by loosening the cam buckle.
- Please visit www.infocase.com for more information.
