## Tempered Glass Screen Protection

We know your device screen is tough, but it is not indestructible. Avoid downtime, mitigate display replacement and extend the life of your technology investment by adding a stealth layer of display protection.

### Zebra TC22/27

InfoCase Part #: INF-SG-ZEB-TC2227

List Price: \$14.99

- 9H hardness protects the display glass from scratching.
- Multi-layer construction provides high impact resistance.
- High light transmittance and superior optical clarity makes the protector nearly unnoticeable.
- Quick and easy, bubble-free installation.
- Oleophobic coating is resistant to smudge and fingerprint.
- Touch and stylus compatible.
- Optional anti-microbial and blue light blocking feature available.
- Anti-reflective matte surface mitigates glare.

## Privacy Screen Protection

- Limited viewing angle of +/- 30° limits the field of vision
- Low reflective coating reduces glare
- Touch and stylus compatible
- Bubble-free, easy installation
- Where required, safety feature for in-vehicle application where it is critical to remove distractions from the driver
