

Exclusively for

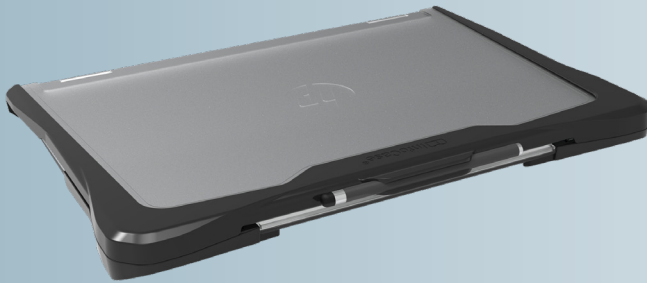

Rugged Snap-On Case

Providing Drop and Shock Protection

Integrated Stylus Holder

Reduces stress on hinges

Cushioned corners

Full Range of Motion

Always accessible ports

This precision fit protective case mitigates device damage, down time and total cost of ownership. Ultimate in lightweight, always on protection, our “air cell” cushion design makes our case 35-55% lighter than other leading cases to reduce stress on the device hinges while offering the same rugged protection.
