MSRP: \$69.99

Rugged Protection and Enhanced Mobility

The Rugged Case for Samsung Galaxy Tab Active4 Pro and the *Gamber-Johnson 2-in-1 Keyboard is a durable, all-in-one solution designed to enhance device handling, mobility, and drop protection for the Samsung Tab Active4 Pro. While the keyboard enables mobile workflows, the Rugged Case adds an extra layer of impact protection for the tablet and introduces ergonomic features to support comfortable carrying. Ideal for field professionals and bio-sensitive environments, this setup ensures your device is ready for anything—on the move or at the desk.

*Gamber-Johnson 2-in-1 Keyboard (7160-1869-00) sold separately

Key Features

- MIL-STD-810H (military standard) drop tested by SGS from 4ft
- Integrated silicone hand strap for comfortable sanitizable for bio-sensitive environments
- Support for optional Mobility Bundle with built-in anchor points (FM-MBBDL-1)
- Secure attachment to the 2-in-1 keyboard via include screws
