Rugged Protection and Seamless Flexibility

The Rugged Slim Case delivers dependable protection for the Lenovo Chromebook Plus 14 2-in-1 in a slim, lightweight design. Built to meet MIL-STD-810H standards, it shields devices from drops, bumps, and daily wear while supporting seamless transitions between laptop and tablet use. Reinforced corners and flexible high-stress areas extend durability, while its precise fit and flat-folding design help protect hinges—making it an ideal solution for classrooms and 1:1 programs.

Key Features

- Meets MIL-STD-810H (military standard) drop testing by SGS at 5 ft.
- Reinforced corners provide drop and shock protection for everyday use
- Folds flat allowing seamless use in 2-in-1 tablet mode, eliminating screen bounce for smooth interaction
- Perfectly aligned top and bottom shells evenly distribute drop forces to protect the device
- Lightweight design reduces stress on hinges during laptop-to-tablet transitions
- Top-shell tab encourages opening from the middle, helping prevent screen bezel damage
