Providing Drop and Shock Protection

The Rugged Slim Case for the Acer Chromebook 511 C73T is designed to deliver durable, always-on protection without sacrificing functionality. Built to withstand the demands of the classroom, this lightweight case features reinforced corners to absorb shock and meet MIL-STD-810H drop standards. Its precise fit supports full 360-degree rotation, allowing users to take full advantage of the Chromebook's convertible design. Clear polycarbonate panels maintain visibility of asset tags and device information, while strategically placed vents help prevent overheating.
