

Tempered Glass Screen Protection

Exclusively for

Lenovo™

Features and Benefits:

We know your device screen is tough, but it is not indestructible. Avoid downtime, mitigate display replacement and extend the life of your technology investment by adding a stealth layer of display protection.

- 9H hardness protects the display glass from scratching.
- High light transmittance and superior optical clarity makes the protector nearly unnoticeable.
- Quick and easy, bubble-free installation.
- Oleophobic coating resists smudges and fingerprints
- Blue light blocking, anti microbial, and privacy features also available
