

Rugged Slim Case for Apple MacBook Neo

PART NUMBER: AO-SNP-MBNEO
MSRP: \$49.95

Built to Protect. Designed to Stand Out.

The Rugged Slim Case for Apple MacBook Neo is purposely built for K-12 education environments, delivering our trusted device protection while preserving the clean, modern aesthetic that defines Apple products. Designed with a clear TPU bumper, this case ensures devices stay protected without compromising the look and feel that makes the MacBook Neo stand out.

Key Features

- Made with clear TPU bumper to compliment sleek Apple branding and colors
- Precise fit with perfectly aligned top and bottom shells to extend hinge life
- Clear panels for asset tag visibility
- Open access to all I/O ports
- Ventilation for heat dissipation
- Lightweight, low-profile design reduces stress on device hinges
- Tab on top shell encourages opening device from the middle
- Improved flexibility in areas prone to breaking
- Non-slip corners prevent device from sliding
- Quick and easy snap-on installation
