

# ErGo POS Case for Zebra ET40, ET45 10-inch and IDTech VP3350

PART NUMBER: FM-MPOS-ET4X10-VP3350  
MSRP: \$129.99

## Unified Mobility for Smarter Mobile Payments

The ErGo POS Case transforms two essential devices into one seamless payment solution. Designed for retail, hospitality, and other service environments, this case securely integrates the IDTech VP3350 payment terminal directly to your tablet, eliminating the need for employees to manage multiple devices separately. By combining both devices into a single, ergonomic system, the ErGo POS Case simplifies workflows, improves efficiency, and enhances the customer experience.

### Compatible ModuFlex Accessories

Mobility Bundle Light: FM-MBBDL-1

User Harness Light Kit: FM-USHRN-KIT
