

ErGo Power Case for Samsung XCover Pro Gen 6, 7

PART NUMBER: FM-WRXC-XCVRPRO7
MSRP: \$69.99

Continuous Power Without Sacrificing Mobility

The ErGo Power Case is designed for organizations that depend on mobile devices throughout the workday and need a reliable, cable-free charging solution. By integrating a Qi-compatible wireless charging receiver directly into the case, the ErGo Power Case enables convenient inductive charging while maintaining the rugged protection and mobility professionals expect from their Samsung devices.

Ideal for field service, logistics, warehousing, healthcare, retail, and transportation environments, this innovative solution helps keep devices powered and ready without interrupting workflows or requiring constant cable connections.

shown in PMT XL Cradle
