

ErGo Pro HC Case for Apple iPad Pro 11 Gen 7-8, M4, M5

PART NUMBER: FM-HCC-IPDPRO11-M5
MSRP: \$89.99

Purpose Built for Healthcare Workflows

Healthcare professionals need technology that moves as quickly as they do. The ErGo Pro HC Case is specifically designed for hospitals, clinics, and other patient care environments where mobility, durability, longterm care facilities, and infection control are critical. Constructed with healthcare-grade materials and MIL-STD-810H drop tested for rugged protection, the case helps safeguard devices from the drops, bumps, and daily wear common in fast-paced clinical settings. The result is greater device uptime, fewer workflow interruptions, and more reliable access to critical patient information.

Key Features

- Made with Mirathane TPU, Makrolon polycarbonate and FDA-grade silicone for sanitary use in healthcare environments
- FDA-grade silicone hand strap rotates full 360°
