InfoCare360

Protect

Maximum Durability. Guaranteed Uptime.

Call It Protected!

Our protective cases serve as the foundation of the **InfoCare360 Program**. We know that high-quality physical protection is your first and best defense against technology mishaps, and it's a non-negotiable for **maximizing your budget**. By drastically reducing device damage incidents at their source, you secure the greatest **return on your technology investment** and unlock the full value of the InfoCare360 services.

70% REDUCTION IN DAMAGE

at Capistrano USD with Rugged Pro

More Than JUST a Case

DROP TESTED

Drop Tested in-house & by an Independent 3rd Party beyond MIL-STD-810H from up to 6 ft.

LIGHTWEIGHT

Extend the life of hinges with a top shell that's 20-30% lighter than other manufacturers.

DURABLE DESIGN

Uses materials with increased flexibility to prevent cracks in high-stress areas.

TRUE FOLD FLUSH

Fully supports the screen, eliminating screen bounce & extending hinge life.
