

Rugged Shell Case for Lenovo ThinkPad L15 Gen 3, 4

LENOVO PART NUMBER: 78421307
MSRP: \$49.95

Streamlined Protection for Modern Workspaces

Designed for today's dynamic environments, the Rugged Shell Case delivers slim, transparent protection without compromising portability. Ideal for offices, classrooms, and mobile workforces, it safeguards laptops from daily wear while maintaining a professional appearance. By reducing visible damage and surface deterioration, organizations can support sustainability goals and protect long term asset value across high use deployments and demanding operational settings.

Key Features

- Scratch, scuff, and minor impact protection
- Lightweight design reduces stress on hinges
- Clear shell for asset tag visibility
- Improved material flexibility in areas prone to breakage during installation/removal
- Drainage holes in bottom shell for accidental spills and heat dissipation
- Open access to all I/O ports
- Non-slip feet prevent the device from sliding
- Quick and easy snap-on installation
