

Toughmate Shatterproof Glass Screen Protection

Exclusively for

Panasonic
TOUGHBOOK

Features and Benefits:

We know your device screen is tough, but it is not indestructible. Avoid downtime, mitigate display replacement and extend the life of your technology investment by adding a stealth layer of display protection.

- 9H hardness protects the display glass from scratching.
- High light transmittance and superior optical clarity makes the protector nearly unnoticeable.
- Quick and easy, bubble-free installation.
- Oleophobic coating resists smudges and fingerprints
- Blue light blocking, anti microbial, and privacy features also available

Privacy Screen Protection

Exclusively for

Panasonic
TOUGHBOOK

Features and Benefits:

Secure privacy screen protection for Panasonic TOUGHBOOK. The protector constricts the viewing angle to $\pm 30^\circ$, limiting the field of vision. The privacy screen can serve as a safety feature for in-vehicle applications and keep patient information secure from prying eyes in healthcare settings.

- Limits the field of vision to $\pm 30^\circ$
- 9H hardness protects the display glass from scratch damage (for tablet models only)
- High light transmittance and anti-reflective coating for superior optical clarity within visible range.
- Quick and easy, bubble-free installation.
- Oleophobic coating resists smudges and fingerprints for nearly unnoticeable protection.
- Blue light blocking and anti microbial also available
