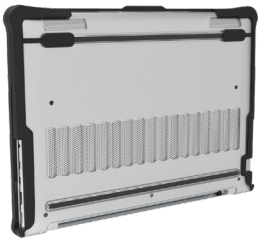
Rugged Slim Case for HP ProBook 4 G1a, G1i 14

PART NUMBER: AO-SNP-HP445G11
MSRP: $59.95

Rugged Protection and Enhanced Mobility

The Rugged Pro Case for HP Fortis Flip G1m 11-inch Chromebook delivers lightweight, all-day protection that exceeds military-grade durability. Built for students, it withstands drops, bumps, and rough handling with durable materials and Air Cell bumpers. Flexible corners help prevent cracks, while the case folds flat for tablet mode to reduce hinge strain and screen bounce. A perfect fit for classrooms and 1:1 device programs needing reliable, long-term protection.



Key Features

- Exceeds MIL-STD-810H (military standard) drop testing by SGS at 6 ft.
- Drop and shock protection with Air Cell protection and TPU bumper
- Folds flat for 2-in-1 device tablet mode, eliminating screen bounce
- Perfectly aligned top and bottom shells to evenly distribute drop forces
- Lightweight design reduces stress on the device hinges
- Tab on the top shell encourages opening device from the middle, preventing screen bezel damage
