

Tempered Glass Screen Protection

Exclusively for

LenovoTM

Features and Benefits:

We know your device screen is tough, but it is not indestructible. Avoid downtime, mitigate display replacement and extend the life of your technology investment by adding a stealth layer of display protection.

- 9H hardness protects the display glass from scratching (diamonds are 10H!)
- Shatterproof design prevents dangerous shards
- High light transmittance and superior optical clarity makes the protector nearly unnoticeable
- Quick and easy, bubble-free installation
- Oleophobic coating resists smudges & fingerprints
- Blue light blocking, anti microbial, & privacy features also available
