Designed To Look Like It Belongs

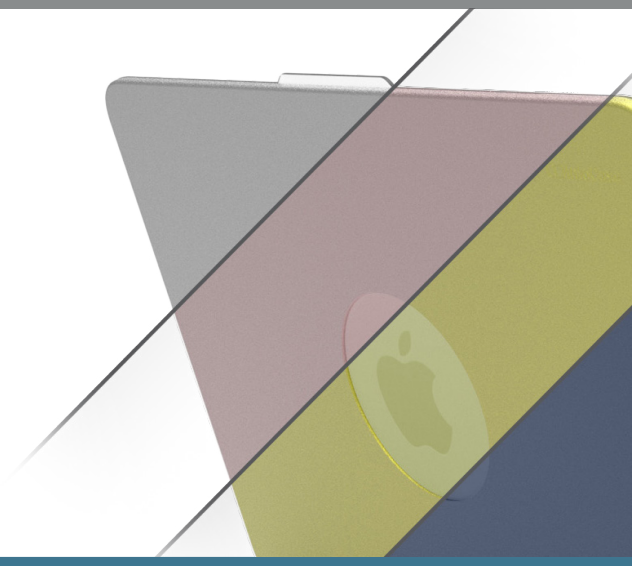

The AluminAir™ Case combines sleek aesthetics with everyday device protection. Constructed from precision-formed aluminum and with a color-matched finish, it complements the look of the MacBook Neo while helping protect devices from the bumps and wear of daily use. A thin polycarbonate lining prevents scratches to the MacBook's aluminum enclosure, while a slim profile maintains the light-as-air feel expected from Apple devices.

Key Features

- Made with anodized aluminum to match MacBook Neo colors
- Protect from drops and scratches
