PermaLock™ XP Case for Dell Chromebook 11 2n1

TECH & LEARNING BEST of SHOW ISTELive 26 WINNER

PART NUMBER: AO-PLX-DCB112N1
MSRP: $59.95

Lock-On Protection Designed for K-12 Reality

School device protection only works when the case stays on. The PermaLock™ XP Case for Dell Chromebook 11 2n1 was **engineered to solve one of the most persistent challenges** in K-12 technology programs: student tampering and case removal. This entirely new case design introduces a **lock-on architecture**, setting it apart from traditional snap-on solutions. Built for districts that need maximum protection, accountability, and long-term device value, the PermaLock™ XP Case keeps devices protected 24/7 from both accidental and intentional damage.
